Program description

Sublimity Radiology's recruiting text messaging program lets job applicants and candidates who have opted in receive one-to-one text messages from our recruiting team. Messages relate to the hiring process, such as interview scheduling, application status updates, document requests, and responses to your questions. We do not send marketing or promotional messages through this program.

Consent and Opting In

You may opt in by checking the SMS consent box on our online application form, or by giving verbal consent to our recruiter during a phone call. Consent to receive text messages is not a condition of applying for employment or of being hired. You must be 18 or older to opt in.

Message frequency

Message frequency will never be more than 1 single message per program topic.

Cost

Message and data rates may apply. Contact your wireless carrier for details about your plan.

How to Opt Out

You can cancel the SMS service at any time by replying STOP to any message. After you send STOP, we will send one message confirming that you have been unsubscribed, and you will receive no further messages from that number. To opt back in, reply START. Other opt-out keywords are also honored: QUIT, END, REVOKE, OPT OUT, CANCEL, and UNSUBSCRIBE.
